RE: Amendment One to Agreement for Transportation Service with Firm  
Gas Standby between South Carolina Electric & Gas Company and  
Crown Health Care Laundry Services, LLC.  
Docket No.: 2017-167-G

Dear Ms. Boyd:

On May 24, 2017, South Carolina Electric & Gas Company ("SCE&G")  
entered into a Service Agreement for firm gas with Crown Health Care Laundry  
Services, LLC.

Enclosed for filing only is Amendment One to Service Agreement between  
SCE&G and Crown Health Care Laundry Services, LLC.

By copy of this letter, we are providing the South Carolina Office of Regulatory  
Staff with a copy of the amendment.

If you have any questions, please advise.

Very truly yours,

  
K. Chad Burgess

AMENDMENT ONE TO AGREEMENT FOR TRANSPORTATION SERVICE WITH  
FIRM GAS STANDBY

This Amendment One, made and entered into this 29th day of March, 2018, by and between SOUTH CAROLINA ELECTRIC & GAS COMPANY, its successors and assigns, hereinafter called "Seller", and CROWN HEALTH CARE LAUNDRY SERVICES, LLC, its successors and assigns, hereinafter called "Buyer".

WITNESSETH

WHEREAS, Seller provides transportation service to Buyer under the terms of an Agreement for Transportation Service with Firm Gas Standby dated May 24, 2017, and

WHEREAS, Buyer and Seller have agreed to amend the Agreement for Transportation Service with Firm Gas Standby between Buyer and Seller to increase the Maximum Daily Quantity (MDQ) to 150 dekatherms.

NOW THEREFORE, in consideration of these covenants and agreements set forth to be kept and performed by the parties hereto, it is mutually agreed as follows:

- A. This Amendment One shall become effective on April 1, 2018.
- B. Paragraph 1, SCOPE OF DELIVERY, is deleted and replaced with the following:
  - 1. SCOPE OF DELIVERY

Seller acknowledges that Buyer may utilize a source of gas other than system supply gas from Seller's sources. Buyer's gas may be transported to Buyer by Seller under the Transportation services provision of this Agreement. Natural gas is provided hereunder to satisfy Buyer's requirements when Seller is not providing transportation services.

Buyer agrees to purchase from Seller, and Seller agrees to sell to Buyer, up to the Maximum Daily Quantity of natural gas which shall not be subject to interruption or curtailment except for conditions as set forth in Article IV, Paragraph 3, of the General Terms and Conditions hereto attached. The Maximum Daily Quantity of Firm Gas shall be 150 dekatherms per day. Any gas taken by Buyer above the Maximum Daily Quantity, without Seller's advance approval, shall be Unauthorized Overrun Gas and shall subject Buyer to the penalty rate per dekatherm set forth in Article IV, Paragraph 5, of the General Terms and Conditions to Industrial Service Agreements hereto attached. Deliveries of Firm Gas under this paragraph of the Agreement shall be utilized by Buyer only in Priority-of-Service Category 2 as set forth in Article III, Paragraph 1, of the General Terms and Conditions hereto attached. Buyer shall purchase all gas tendered by Seller up to the Maximum Daily Quantity whenever

and to the extent Buyer has a requirement for fuel in the ~~Priority-of-Service~~ Category set forth herein.

- C. Paragraph 5(b), NOMINATION PROCEDURES, is deleted and replaced with the following:

(b) NOMINATION PROCEDURES

Seller agrees to accept and transport up to 150 dekatherms, excluding shrinkage volumes, of natural gas on a daily basis. Buyer will notify Seller at least five (5) days prior to the end of the month the volumes of gas, in dekatherms, to be transported on a daily basis during the next calendar month. Buyer has the right to change the volume to be transported during the month on a daily basis. It is Buyer's responsibility to notify producers and connecting pipelines regarding any change in transportation volumes. Seller will accept changes in daily volumes dispatched from an upstream pipeline; however, Seller reserves the right to limit or restrict the volumes accepted and transported at any time ~~whenever~~, in Seller's sole opinion, operating conditions warrant a limitation or restriction on the acceptance or delivery of transportation gas. Limitations or restrictions may be because of, but not limited to, the utilization of deliverability capacity of Seller for Seller's system supply requirements.

- D. The term of this Amendment One shall be the same as the term of the Agreement for Transportation Service with Firm Gas Standby currently in effect.
- E. No other provisions of the Agreement for Transportation Service with Firm Gas Standby between Seller and Buyer are altered by this Amendment One.

IN WITNESS WHEREOF, this Amendment One to Agreement for Transportation Service with Firm Gas Standby has been executed on the date first above written by the parties hereto, by their officers or other representatives.
